

**WHAT KIND OF FISH IS MADE
OF TWO SODIUM ATOMS?**

VIA 9GAG.COM

2 NA

Honors Chemistry

Tuesday September 8th 2015

Agenda

* Calculating Stoichiometry Page S15

Activity 3: Calculating Stoichiometry (pg S15)

* **Get out:**

* **Stoichiometry Map**

* **Periodic table**

* **Today you will:**

* **Identify limiting reagent**

* **Calculate percent yield**

HOMEWORK

- * **Create a experiment using the information found in S18-S19**
